# UNTOUCHABLE

## DocNight at The Portico

6:30 p.m. Wednesday, June 14

2nd Floor of The Connections Building

When the most powerful lobbyist in Florida discovers that the nanny has sexually abused his daughter, he harnesses his extraordinary political power to pass the toughest sex offender laws in the nation. UNTOUCHABLE chronicles his crusade, and its impact on the lives of several of the 800,000 people forced to live under the kinds of laws he has championed.

The Portico is committed to enhancing the social, artistic and spiritual fabric of Tampa through Conversation, Connection and Community Change.
